**TAKE YOUR PICK** — Finalists in the Sweetheart Queen elections, these five co-eds will be the basis for the voting now in progress to pick the Sweetheart Queen. In back (L-R): Ann Hoffman, Rosemary Mehm, Narlene Gleicher. Up Front (L-R): Cynthia Mirsky and Yolanda Delmore.

## 5 Girls Wait Returns Of Sweetheart Polling

Five lovely hopefuls are awaiting the news of who has won the title of Sweetheart Queen of the entire University as this paper goes to press. With voting by the student body going on this week, the climax of weeks of waiting will draw to a close tomorrow night with the crowning of the Queen at the annual Sweetheart Dance at the Ritz Ballroom.

## Helicon Seeks New Writers

Seeking Literary minded souls, who are interested in a collegiate literary publication, Helicon may once again be seen on the Seaside campus.

The magazine dedicated to student writings, Helicon seeks stories, articles, and poems written by the members of the student body. All interested persons should contact Myra Seide (Wistarian Office) immediately.

With a tentative deadline set for the end of March, all material must be handed in as soon as possible. Dr. Milton Millhauser serves as advisor to the publication.

"New Blood" is desperately needed, with such veterans as Marlene Fanta, George Sikorsky, Ronald Gold, John Irvine and James Mehrtter away from the campus scene.

A meeting of those interested persons will be held tomorrow at 3 P. M., in the Wistarian office, 3rd floor of Alumni Hall.

The five, chosen out of a field of 23 early participants, were selected at a tea held at Wistaria Hall last week. The finalists are: Cynthia Mirsky, Narlene Gleicher, Yolanda Delmore, Ann Hoffman and Rosemary Mehm.

Cynthia Mirsky, a freshman hailing from Hartford, serves as president of her dormitory, Southport Hall. The tall, blue-eyed brunette is vying for the title along with her dorm-mate, Narlene Narlene Gleicher.

Narlene, who serves as secretary-treasurer of the Freshman class, was recently elected to the Student Council. She serves as co-MC on WICC's radio program, Varsity Time, and is a member of the WRUB radio staff. Narlene's home town is New York.

Yolanda Delmore, of this city, is a member of Beta Gamma sorority, and has gained recognition through her participation in campus productions. She was named Sweetheart of Pi Omega Chi fraternity in 1954. Tall, dark-haired and blue-eyed, Yolanda was last seen in the annual Christmas Pageant, portraying Goldilocks in the "Ballet of the Three Bears".

Ann Hoffman, of Lancaster, Pa., is a resident of Seaside Hall. A member of Beta Gamma sorority, Ann was elected Queen of Sigma Omicron Sigma fraternity last year.

Rosemary Mehm, blue-eyed sophomore Fashion Merchandising major, serves as assistant Resident Counselor of Schiott Hall. Rosemary was voted Sweetheart of several GI's in Korea last year.

The co-ed who wins the title will gain the crown of the present sweetheart, Mrs. Julie Peterson Schneider, who was crowned at the 1954 Sweetheart Dance by Pres. James H. Halsey.

## Importance Of Being Earnest Going Into Final Rehearsals

"The Importance of Being Earnest", will have its final rehearsal next week, in preparation for the March 9 opening in the Little Theater. Albert Dickason, Professor of Drama, is the director of the production which is slated to run for three evenings.

## Invitation Given To UB Students

A personal invitation was extended to University students by John Ohanian, Supervisor of Music in the Westport Public Schools, to "sit in" on rehearsals.

Ohanian is in the midst of reorganizing the University of Bridgeport-Community Orchestra, which meets in the Music Recital Hall on Tuesday evenings, 8 to 10 P. M. Credit will be given to non-music students who desire to use Orchestra membership as an elective credit.

Requirements to join the orchestra are limited to the playing of an orchestral instrument and the positions in the string section are unlimited.

Also in the musical section is the Men's Glee Club, which holds rehearsals at 2 P. M. on Mondays, Wednesdays and Fridays in the Music Lecture Hall. Glee Club activities also earn college credit.

A spokesman for the group said that the cast and stage help are doing a splendid job and that the show will be of professional caliber. June Bartram, the present prop manager, will assume the duties of stage manager in addition to her present tasks.

Members of the cast include: Gary Singer (Algernon), Henry St. Onwick (Jack), Madeline Fitch (Cecily), Deborah Pensak (Lady Bracknell), Sondra Miller (Gwendoline), Bill Bartlett (Lane), Gerry Bennett (Maid), Frank Jawoicz (Dr. Chausable) and Jennie Fogel (Miss Prim).

## New Officers For I. H. C.; Jan Fine For President

The new officers of the Interhall Committee, elected last Tuesday, are: Jan Fine of Schiott Hall, president; Jerry Norwood of Trumbull Hall, vice-president; Shirley Miller of Linden Hall, secretary and Rhoda Warner of Linden Hall, treasurer.

Dance instruction in Alumni Hall on Sunday afternoons is one of the activities sponsored by the Interhall Committee. Professional instructors teach the tango, mambo and rhumba for 50c. per lesson.

## Engineers To Hold Symposium Sat.

The Connecticut Society of Professional Engineers will be guests of the University at a symposium to be held in the Technology Building Saturday afternoon.

Dr. Willard P. Berggren, Chairman of the symposium and Director of Engineering at UB, announced that the subject of the symposium will be "The Preparation and Utilization of Engineering and Scientific Manpower".

A presentation of "Engineer of the Year from the State of Connecticut" will be made at a banquet at the Barnum Hotel in the evening. Evaluation is based on engineering accomplishment and the resulting service to the fellowman.

## Seniors . . .

Graduate Record Examinations will be given to all senior Bachelor of Arts candidates on March 30, April 1 and 4.

Each senior B. A. candidate, expecting to graduate in June or Sept. 1955, or Feb. 1956, should apply through the Evening Office or Dean Ropp's office by March 1 in order to take the Graduate Record Examinations. This is one of the requisites for graduation.

Journalism students are not required to take these exams.

## Open Door Policy

The SCRIBE, like any other organization on earth, must change hands every so often. But with this change in hands, one might think that a change in policy is in order also.

But quite to the contrary, the same policy that the founders of the SCRIBE introduced are still in effect. That policy is known as the "Open Door Policy".

To be realistic about the matter, and truthful at the same time, the SCRIBE is and always will be run by a handful of the students. Because that is the only method by which a newspaper, small or large, is able to be published on schedule. The old proverb, "Too many cooks spoil the broth", is very true in this instance.

Our door is never closed to people that have something to say, whether it is agreement or disagreement with the SCRIBE. There are two sides to every story and that fact is dutifully recognized.

In the many letters that the SCRIBE receives and has received, and has not published or publicly acknowledged, please remember that we have to protect our paper and your paper. The only time a letter or comment will be published is when the letter has been signed and its contents have been verified.

We, of the SCRIBE, are interested in what you, the students think about the paper, and how to improve it.

Let's hear from each and everyone of you:

Stop dunking your pretzels Smedly, it's one of those inspectors

## NON COMPOS MENDES

By Bob Mendes

We had a very interesting letter last week from someone who signs himself as "The Fans". This letter, no doubt was in response to our column of that time dealing with sportsmanship, or lack of it thereof at the Fairleigh Dickinson basketball game. We wish that our "fan" had used his name in signing his epistle. Unfortunately the SCRIBE policy forbids the printing of anonymous letters.

In actuality, the policy even advises against the mention of these letters in the paper. If we knew of a way of circumventing this prohibitive rule, we would gladly put it right in this column as was requested in the letter and then proceed to punch it full of holes.

The composer claims that at the game there was no sound at the time of foul shots except for a few scattered cat calls. This leads us to believe that our friend wasn't even AT the game. We are also labeled as malcontents. We are accused of persistent "rankings of someone or something", this we must confess is true.

Tell us, dear fan... (perhaps in another anonymous letter)... what reader interest is there in someone

who is repeatedly content with the world as it is. There must be something to set us apart from other features, or we, with all due respects to the other SCRIBE columnists, might as well print nothing but lists of names in our column to insure reader interest.

Our writer of letters claims that he is speaking for the fans. What fans are you speaking for? Not the fans that go to games to see a team try to pull through a tough one. We didn't see too many "fans" at the football games at the end of the season. Of course, the Quonset Point game was played in nasty weather. Basketball games are indoors... much more conducive to socializing... (which is the main concern of these "fans")!

by Lou Csiga

With the Intramural Basketball League top heavy with fraternity teams, we've taken the liberty of using this information in the column. Leading the American League is the red-hot team from Alpha Gamma Phi. They are undefeated to date. Alpha Delta Omega and Kappa Beta Rho are fighting for top honors in the National League.

Tom McNeil, AGP's new prexy, will play host at a cocktail party at his house after the Sweetheart Dance. Other recently elected officers include: Al Sency, veep; Mike Belmont, secretary; Nick D'Alusio, corresponding secretary; Russ Anderson, treasurer; Dave Deep, Bob Mendes and Dick Cipriani, pledge masters... this should prove interesting, they're roomies.

Sigma Phi Alpha brothers will warm the new home of former pres. and Knight of Thunder, Al Zavadsky. The coming Cottonball Caper will see the crowning of a SPA queen... the procedure for choosing the queen is a deep, dark secret.

The ten lassies from Beta Gamma did a great job for the Heart Fund this past Sunday... they covered Seaside Village.

Alpha Delta Omega will party again this weekend at chancellor Dick Piroh's... ADO's dates at the last fete were delighted at his new cocktail innovation, Martini Madness. Vince Maggio's steady, beaut Dot Seckler, up from New Jersey, might say yes if Vinny asked her nice.

The first pledge party for prospective Theta Sigma's was at the Pickwick on the East Side, Wednesday. Hosting it before the dance Friday, is Bob Neuberger and company.

Sigma Omicron Sigma started its pledge season with a party at Lenny's Saturday... news is that it was a three bagger! Another feature of the SOS pledge season will be a buffet dinner Sunday at... oops, sorry, they didn't tell us where, a secret maybe?

The second pledge-tea of the year for prospective Theta Epsilon gals will be Sunday from 3 to 5 P. M. at Alumni Hall... you're welcome kids, just giving the facts.

The Farway Restaurant will be the scene of Sigma Lambda Chi's celebrating this Friday. Figuring on having a ball this Saturday, SLX is planning a cocktail and, of all things, a breakfast party... that's like having your beer with your eggs.

The POC green will soon be seen on the campus once again, as pledgemaster Bernie Milove herds his charges through the streets. The POC'ers are throwing a pre-Sweetheart Dance cocktail party.

"Let me call you, Sweetheart"... and she did. Whether SHE will be Cindy, Rosemarie, Yolanda, Ann or Narlene is part of the mystery attached to UB's Ninth Annual Sweetheart Dance tomorrow night at the Ritz Ballroom. Any "bottle-babies" found nursing anything stronger than coke will be strongly invited to leave. This was the result of a meeting between faculty members and various student leaders last week, on the question of drinking at school-sponsored functions.

Beverly Bosch, Vic Munie's "Girl Friday", was chosen "Miss Park City" in the Miss Bridgeport Contest at Lenny's last Saturday night. Beverly's title represents the runner-up position in this beauty race.

Murray Pruess pinned the Girl of his Dreams, "Ginger" Charney of Boston University last weekend. It's not hard to see that he'll be burning up the Boston Post Road every Friday afternoon.

Everyone is invited by the Social Activities Office to attend the Faculty Student Buffet Sunday at 5:30 P. M. The supper will be held in Alumni Hall. Tickets will be 50 cents per person and you must get yours before five o'clock today.

On leave from Fort Dix, Charlie Smith, former Associate Editor of the SCRIBE, paid a return visit to the campus over the weekend. He failed to make any comment on the present weekly. Oh, well!

Dental Hygiene sorority, Phi Omicron Upsilon, held its initiation last Thursday night, and their Formal Dance at the Barnum Hotel's Green Room, in honor of their new members.

... and all was quiet at Schiott last Saturday night. Schiott

dormettes found themselves "campus-ed" when the house mother found some of them slipping out after hours. It was all very innocent, and they only went out to get snacks to bring back. This is perfectly legal... if you don't get caught.

June Fried and Kitty Basch were back showing off their new engagement rings to many envious friends. Both are romantically linked to former UBites.

John Anderson, former UB football star, has the best army deal since Washington crossed the Delaware in a Criss-Craft. He is being assigned to the Caribbean, as one of

the selected few in his company.

Several girls of UB's Chapter of Hillel attended the New England Conference at Yale. They came back singing "Boola, Boola" and other Ivy tunes.

# Knights Lose 2 In Row Face Stags Saturday

The Knights, after losing their last two games to Iona College 78-58 and New Haven State Teachers 73-57, face strong opposition from Fairfield University next Saturday.

Iona's distinct height advantage is what opened up the game after the first 25 minutes. The Gael's 6'7" center, Wally McCarville, who is currently 8th among the nation's college rebounders, netted 20 points and 21 rebounds. He was aided by Dick Barry's deadly set shooting and Andy Risoli's driving hoops.

The Knight's Jim Davins, led with 16 points, followed by Ernie Amaral's 12. Davins also led the Knights with 9 rebounds.

Iona was first to score on a pair of foul shots by Leroy Scott. Risoli put the Gaels ahead 11-10 but by half-time, they had a decided 34-23 advantage.

In the second half, UB made a slight comeback, sparked by Liggins and Amaral, but were stopped when Dick Barry sank 4 out of 5 set shots.

In the Elm City, the Knights lost their second game of the week as New Haven won their first game from UB since 1949.

New Haven held the lead all the way except for a short time in the first half. The offense was led by Bob Persky, who scored 21 and Paul Del Gobb who hit for 19.

Jimmy Davins led the Knights with 21 while Jack Liggins chalked up 13 and Ernie Amaral 12. New Haven out-rebounded the Knights 51-43, but Stan Silverberg led with 16 off the boards.

UB faces New Britain on Wednesday and Fairfield on Saturday, the last game of the season. Fairfield has a 10-7 record against the Knight's 8-12.

# U. Of Mass. Sinks Knights Mermen

An all season winner, Charlie Anderson was edged out in the 200-yard breast stroke by 2 1-10 second. The U. of Mass. powerful mermen outscored UB 60-23.

Adding to the losing cause, Mary Winick took third in the 50-yard freestyle, Howie Bader a third in the 220-yard freestyle and Dick Chantland placed third in the 440-yard freestyle.

# 1955 Golf Squad Has 7 Lettermen

Seven Letterman will return to try to extend the golf team's five-game winning streak, begun last season.

After five straight losses, Coach Al Sherman's linksmen chalked up five quick victories to end the season with a 5-5 record.

A meeting of all golf candidates, varsity and freshmen, will be held Monday at 2 P. M. in Room 28, Alumni Hall.

Coach Sherman will have Dick Lockwood, Lou Csigay, Joe Cot, tle, Dick Watt, Sam Marks and Walt Leveen back from the 1954 team and, Bert Vines from the 1953 squad.

Five away games and six home matches will be played, with the local contests tentatively set for Fairchild-Wheeler Golf Course. In addition, the team will compete in the Metropolitan Inter-collegiate Tournament. UB placed third in its division last year.

# Girls Beat Tel. Co.

Avenging an earlier defeat, the University's women cagers defeated the Telephone Company's six 45-32, last Thursday, to move into first place in the YWCA basketball league.

Led by Ellie Persip's 27 points, the girls moved past the Operators with a 7-1 record and need just four more victories to insure themselves of the championship.

The Telephone Company took a 6-0 lead in the first two minutes, but the UBettes surged ahead and maintained a narrow lead throughout the contest. The shorthanded guards out-rebounded the taller Telephone Company lassies and the forwards kept up a steady stream of baskets.

Marianne (Shorty) Lacy, Marva DuFore and Grace Bruno, Bridgeport's "iron threesome", played the entire game in the backcourt and for the sixth time this season held their opponents below the 40 point mark.

In addition to Persip, who raised her average to 18.5 points per game, the UBettes were paced by Pat Arra and Joan Flamio, who garnered eight points each, while Jean Shuetz and Marilyn Johnson scored one point each.

## LUCKY DROODLES! WE'VE GOT 'EM!

WHAT'S THIS? For solution see paragraph below.

IT'S EASY TO SEE that the Droodle above is titled: Tired anthropologist relaxing with better-tasting Lucky behind freshly dug-up fossil. No bones about it, Luckies taste better to all sorts of people. College smokers, for instance, prefer Luckies to all other brands, according to the latest, greatest coast-to-coastest college survey. Again, the No. 1 reason for Luckies' wide lead:

Luckies taste better. They taste better, first of all, because Lucky Strike means fine tobacco. Then, that tobacco is *toasted* to taste better. "It's Toasted"—the famous Lucky Strike process—tones up Luckies' light, good-tasting tobacco to make it taste even better... cleaner, fresher, smoother. So, enjoy the better-tasting cigarette... Lucky Strike.
